MACCLESFIELD PRIMARY SCHOOL

The Concert Committee – Seeking Parent Talent

In Term 3, we will stage our School Concert where all Maccy students will take part in our annual Performing Arts Showcase. Our theme will be based on the popular movie musical **Sing!**

We are looking to put together a team of parents who are interested in being involved from the early stages and assist with all things production. We will call this group **The Concert Committee!** Already we have two parents who have offered to help; one or two more would be fabulous.

In particular, we are seeking people who would like to assist with choreography, costuming and props. If this sounds like you, please be in touch with Jarren Boyd (Music Teacher) or chat to your child's classroom teacher:

jarren.boyd@education.vic.gov.au

Principal Report:

The last week has been a nice reminder that the strength of a school lies in the community and how a community connects with the us. We much prefer to have our children on-site and our families walking in through the doors, so we are looking forward to the return to on-site learning. Thank you to our families and our teachers who have worked together again to provide the support and learning our students need.

I would like to officially welcome Andrea Hagar to the Macclesfield Primary School community. Andrea has been with us for a short time, but has had a huge impact already. If you haven't already met Andy, you will soon. Her friendly personality, professionalism and warmth radiates out of the front office!

Around the school, we are using the time and opportunity to get a few things organised. We are removing the fences around the dry river-bed (no longer dry!), begin plans for building new compost bays and vegie gardens and bring in some new books, ready for Term 3. We will also have a new system for waste management up and running by the time we return to school following the Queen's Birthday long weekend.

Indoor Plants:

If you happen to have any indoor plants that are needing a new home, we would happily take them off your hands.

Reports:

Reports will be handed out to families within the usual time-frame (beginning of the final week of term). Usually these follow with an opportunity to meet with your teacher to discuss progress. At this stage, we are unsure if this can happen, so we will keep you posted.

Health and wellbeing:

During these difficult weeks, we want our families to know that we care about them, and can offer access to supports or resources if you are concerned about your child's health or wellbeing. Our role at school is to provide a safe, supportive learning environment for all children and our community. If you need someone to talk to, please give us a call.

Year 5/6 camp:

We were pleased we had the opportunity to stay on school camp with the Year 5 and Year 6 students until Friday afternoon. Remaining in a safe, happy little 'bubble' enjoying one another's company was a positive outcome. Waratah Bay was a beautiful place to spend 3 nights. Highlights included- Damien and Rosie on the dance floor (as well as some amazing dance moves from a number of students), the responsibility all our students took for their duty rosters, students stretching out of their comfort zones on the rock-climbing wall and giant swing, down time creating kites, and an early morning run/walk along the beach on the final day. Thank you to all our families for your support and understanding over the course of the final few days, particularly with how the camp concluded.

Andrew

GREAT NEWS

We've just been awarded
a Woolworths Junior
Landcare Grant!

We've been successful with our application for a 2021 Woolworths Junior Landcare Grant of \$1,000.00. We will be using this money to create compost bays and raised garden beds near the rotunda at the school entrance.

Macclesfield Primary School is one of 1,609 primary schools and early learning centres throughout Australia receiving a Woolworths Junior Landcare grant to help grow our next generation of environmental champions.

The children and teachers are looking forward to working and learning from this project and we'll keep you updated on the results.

Learner Profile:

**Inquirers, Knowledgeable, Thinkers,
Communicators, Principled, Open minded,
Caring, Risk Takers, Balanced and Reflective**

Book Club

Scholastic Book Club brochures are distributed twice a term. They can be ordered online or with cash payments to the school office. Rewards the school earns from these catalogue sales are used to update classroom and library resources and materials. Orders can take 2 weeks to arrive once they have been processed.

Rewards from Issue 3 totalled: \$123.80

Issue 4 Catalogues have been distributed.

Cash payments are due on Wednesday 9th June and Online payments are due on Friday 11th June

Any questions with regards to Scholastic Book Fairs for Book Club please contact:
Kylie 0402429260

The **SWPBS Student Voice Team** met again for the second time last week. The students signed an Essential Agreement to accept their position on the team and to accept the responsibility of being a role model and demonstrating our SWPBS Values: Be Principled, Be Caring, Be a Learner.

The Team's first role was to collect ideas for our whole school rewards. Ideas from all grades were collected and collated, and the top three suggestions have become our whole school rewards. These were announced at Assembly.

WHOLE SCHOOL REWARDS

When students complete their individual reward chart in their classrooms, in addition to receiving an individual reward and a certificate, they also get a pompom which they can place in one of our Value boxes (located in the Office foyer).

Each box represents a different option for a whole school reward. Students place their pompom in the Value box of their choice, to vote on a whole school reward. When one of the Value boxes is filled with pompoms, the whole school receives the selected reward.

The first three **whole school rewards** we are working towards are:

**Inside games
Free time**

Free dress day

**Movie and
Popcorn**

Happy Birthday to the following students and staff who have recently, or will soon celebrate their birthday:

Matthew D

Jakson K

Rachel Woodhouse

Kian T

Nina L

Zac S

Meg F

OSHClub News

All accounts are now up to date. Please contact me if you have any queries.

We were wondering if there are any parents that could donate any wooden-doll pegs or coloured felt that would be great.
