## **PARENT PAYMENTS POLICY**

### **PARENT PAYMENT ARRANGEMENTS 2023**

Dear parent/guardian

We are looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions schedule for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

As implemented last year, we are providing a central supply of stationery to each classroom and items will be shared and available to all children. The benefit of this will hopefully see less doubling up of items in households, and increased access for all students to vital education supplies. We are also pleased to be able to offer our families the same price as 2022 of \$190.00 for 2023, and we are introducing a cap of two students per family. For those families that have three or more children at the school, we only request a contribution for two of those students.

Please find attached Macclesfield Primary Schools voluntary financial contributions schedule for 2023, which includes an overview of what your contributions will go towards.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule below for an indication of contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely

Andrew Bagnall  
Principal

Emma Nielsen  
School Council President
